

B.Voc in Electrohomeopathy (NSQF Aligned)

Duration: 3 Years (6 Semesters)

Level: NSQF Level 5–7

Credit System: Choice Based Credit System (CBCS)

Total Credits: 180

Multiple Entry & Exit Structure (As per NSQF)

Level	Qualification	Exit Point	Credits
Level 5	Diploma in Electrohomeopathy	After 1 Year (Sem 1–2)	60 Credits
Level 6	Advanced Diploma in Electrohomeopathy	After 2 Years (Sem 1–4)	120 Credits
Level 7	B.Voc Degree in Electrohomeopathy	After 3 Years (Sem 1–6)	180 Credits

Credit Distribution

- **Skill Components (Core Practical + Training):** 60%
 - **General Education (Theory):** 30%
 - **Internship/Project:** 10%
-

SEMESTER-WISE SYLLABUS

Semester 1 (NSQF Level 5)

Credits: 30

Theory Subjects

- Fundamentals of Electrohomeopathy
- Human Anatomy & Physiology – I
- Basics of Herbal Medicine
- Communication Skills

Skill Subjects

- Identification of Medicinal Plants
- Preparation of Basic Electrohomeopathic Remedies

Practical

- Anatomy Lab – Basic Structures
 - Herb Identification & Extraction
-

Semester 2 (NSQF Level 5)

Credits: 30

Theory Subjects

- Electrohomeopathic Materia Medica – I
- Human Anatomy & Physiology – II
- Basic Pathology
- Environmental Studies

Skill Subjects

- Remedy Preparation Techniques
- Patient Case Recording Basics

Practical

- Pathology Lab Basics
- Clinical Observation

 *Exit Option:* **Diploma in Electrohomeopathy**

Semester 3 (NSQF Level 6)

Credits: 30

Theory Subjects

- Electrohomeopathic Philosophy
- Materia Medica – II
- Microbiology
- Pharmacognosy

Skill Subjects

- Diagnosis Techniques
- Herbal Drug Processing

Practical

- Microbiology Lab
 - Case Study Analysis
-

Semester 4 (NSQF Level 6)

Credits: 30

Theory Subjects

- Clinical Electrohomeopathy – I
- Pharmacology (Electrohomeopathic)
- Nutrition & Dietetics
- Research Methodology Basics

Skill Subjects

- Clinical Case Handling
- Diet Planning for Patients

Practical

- Clinical Practice – I
- Patient Interaction

 *Exit Option:* **Advanced Diploma in Electrohomeopathy**

Semester 5 (NSQF Level 7)

Credits: 30

Theory Subjects

- Clinical Electrohomeopathy – II
- Chronic Diseases Management
- Alternative Medicine Systems Overview
- Entrepreneurship Development

Skill Subjects

- Advanced Diagnosis
- Clinic Management

Practical

- Clinical Internship – I
 - Case Documentation
-

Semester 6 (NSQF Level 7)

Credits: 30

Theory Subjects

- Advanced Electrohomeopathy Treatment

- Medical Ethics & Legal Aspects
- Hospital Management
- Project Work

Skill Subjects

- Advanced Clinical Practice
- Patient Counseling

Practical

- Clinical Internship – II
- Research Project Submission & Viva

 **Final Award: B.Voc in Electrohomeopathy**

Internship / Industrial Training

- Minimum **6 Months Clinical Internship**
 - Training in Clinics / Wellness Centers / Alternative Medicine Hospitals
-

Learning Outcomes

- Expertise in Electrohomeopathic treatment
 - Ability to diagnose and manage common diseases
 - Skills in herbal medicine preparation
 - Capability to run independent clinic
-

Career Opportunities

- Electrohomeopathy Practitioner
- Herbal Consultant
- Wellness Center Specialist
- Clinical Assistant

- Entrepreneur (Own Clinic)
-
